Good Afternoon Sarah

As discussed at the Mentoring Workshop held on Wednesday 30 June we would like to invite you to present at Aged Care Queensland's Community Care Queensland Conference which is being held on 6 & 7 November 2008.

We would welcome you to participate by presenting on Are you networked? The potential of computer-mediated social networking for supporting practice for 30 minutes from 2.00pm - 3.00pm on Thursday 6 November 2008.

Can you please advise if you are available and also outline any costs that may be associated?

Kind Regards

Tania Whyatt
